

Awesome is a word often used to describe the majestic Niagara Falls and, to be honest, they are awesome at any time of the year. However right now Mother Nature has had a hand in transforming them into a Winter Wonderland and ... they are FREEZING!

We have put together a special offer flying out with Air Transat from one of three UK locations directly into Toronto.

On arrival, you will transfer down to Niagara Falls where you will spend two nights in the Sheraton on the Falls. On your first day, you will collect your marriage licence from City Hall and then be taken by limo to a little log cabin nestled in the trees for your marriage ceremony and photos. Once married, the limo will return you to your hotel and you can wrap up warm and take a walk to view the frozen splendor.

The following day, you will return to Toronto, staying at The Chelsea Hotel in the downtown where there are countless winter activities, plenty of tourist attractions, quality restaurants and shops, most of which can be accessed by The Path –downtown Toronto's (mostly) underground walkway linking 30 kilometres of shopping, services and entertainment. Follow PATH signs and you'll reach your downtown destination easily in weatherproof comfort.

On your final night in the City, we can arrange an early evening dinner (not included in the basic price) at the 360 Restaurant atop the CN Tower where you will have a magnificent revolving view of the city more than 350m below.

Total cost to include flights, transfers, double room accommodation (room only) and wedding ceremony associated charges **£3,950.00**

There will be an additional cost of \$125cdn for the marriage licence which is payable in cash at City Hall on collection.

This offer is only valid for Tuesday departures through to March 2018 or whilst Niagara Falls are frozen!
